

Plastics thrown here will outlive the next 15 generations.*

The asterisk:

- Assuming 450 years to decompose in a landfill, and 30 years for one generation.
- A gift for your great-great-great-great-great-great-great-great-great-great-grandchildren : (
- Or we can burn them. Yuck!
- Please recycle :)
- Recycling bin is available _____
- Please get rid of liquid and food waste before recycling.
- Don't recycle styrofoam. Just don't use styrofoam.
- What's better than recycling? Reduce and reuse!
- Thanks for reading! Here's a joke for you: My friends are trying to start a chewing gum recycling company. They need a little help getting it off the ground.
- Have a nice day!
